THE JOHN CARROLL SCHOOL

Health and Physical Forms 2019-2020

HEALTH FORMS TO BE COMPLETED

ALL forms must be returned to the school nurse by August 1, 2019.

1. **New Student and Athletic Physical Form:** This form is a very important record while your son/daughter is a student at John Carroll. A physical exam is necessary for all incoming freshmen and transfer students, in addition to each year that a student participates in a sport. This form provides us with necessary information and will be kept confidentially on file in the Nurse's office.
2. **Health History Questionnaire Form:** To be completed by parent and student prior to getting a physical exam.
3. **Medical Update and Discretionary Medication Consent Form:** These are medications, supplied by the school, for students whose parents/guardians have completed and signed this form. These medications will be given by the school nurse or designated RN according to nurse discretion under the protocols approved by the school medical consultant. Please complete form, sign and return even if you do not wish for these medications to be available to your child. In addition, the medical update should be completed to inform the school about any medical concerns the student may have.
4. **MD Department of Health Immunization Certificate:** Use attached vaccine form or send a copy from your son/daughter's physician. Vaccine compliance is mandated by law.
5. **MD State School Medication Administration Authorization Form**: This form is for any medications (not listed on the discretionary medication form) that your child needs to have during the school day. i.e. cold medications, epi pens, inhalers, and other prescription medications. Please make sure **both** physician and parent sign the form. Medication must be in the **original container** with the student's name on the label. Pharmacies can provide a second labeled bottle to accommodate medications that are given in school.

Extra forms are available on The John Carroll website under Current Patriots (Forms and Downloads). Policies concerning medications are stated in the Student Handbook on The John Carroll website under Current Patriots (Student Handbook). Please double check that all of the information spaces are completed.

If you have any questions, please call Michelle Webster, School Nurse, 410-838-8333 ext. 2010 or email her at mwebster@johncarroll.org. Thank you for your cooperation.

Consent, Release, and Assumption of Risk

_____ (print student name) (the "Student"), is a student at The John Carroll School ("JCS").

Consent to Medical Treatment: I/We do hereby authorize JCS employees, nurses, athletic trainers, and coaches to consent to any necessary or advisable medical treatment by any licensed, certified or trained medical professional in the event of any illness or injury to the Student while in school or participating in the Athletic Program, including without limitation, any competition or practice, and while traveling to and from any competition, in the event that I/we cannot be reached after reasonable effort. In addition, if, in the judgment of any representative of JCS, the Student needs immediate care and treatment as a result of any injury or sickness sustained while in school or participating in the Athletic Program, I/we hereby request, authorize, and consent to such care and treatment as may be given to the Student by any licensed, certified or trained medical professional, athletic trainer or any other JCS representative. In either case, I/we do hereby agree to **RELEASE, HOLD HARMLESS and INDEMNIFY** JCS and its directors, officers, employees, and agents from and against any liability, claims, demands, and causes of action arising out of or related to any such treatment. I/We further agree to be fully responsible for any and all expenses incurred in connection with any such treatment, and hereby **RELEASE and DISCHARGE** JCS and its directors, officers, employees and agents from any and all responsibility and liability for such expenses.

Athletic Program: If the Student decides to participate in JCS's athletic program for the **2019-2020** school year (the "Athletic Program"). I/We understand that the Student's participation in the Athletic Program is wholly voluntary. In consideration of the opportunity to participate in the Athletic Program, the receipt and sufficiency of which is hereby acknowledged, I/we consent to the Student's participation in the Athletic Program and agree as follows:

Consent to Disclosure of Educational Records: I/We hereby authorize JCS to release the Student's educational records to the extent the same contain medical information regarding the Student (the "Medical Records") to any health care provider in connection with the furnishing of medical treatment to the Student for any illness or injury sustained while in school or participating in the Athletic Program. I/We understand that this consent shall remain in effect until my/our written revocation is delivered to the Registrar.

Assumption of Risk, Consent and Release of Claims: I/We understand and agree that there are certain dangers, hazards and risks inherent in participating in high school athletic practice and competition, and travel associated therewith, including without limitation, death, serious neck and spinal injuries which may result in complete or partial paralysis, brain damage, serious injury to virtually all internal organs, serious injury to virtually all bones, joints, ligaments, muscles, tendons, and other aspects of the muscular skeletal system, and serious injury or impairment to other aspects of the above-named student's body, general health and wellbeing, the effects of any of which could last a lifetime. Because of the dangers of participating in high school athletics, I/we understand that it is the Student's responsibility to adhere to all rules and regulations of his or her sport, and that an infraction of such may result in injury to the Student and/or his or her opponent. I/We also agree not to modify any protective equipment or uniform, and understand that is the Student's responsibility to report faulty or poor-fitting equipment immediately to the coach or Certified Athletic Trainer. I/We further understand and agree that all injuries are to be promptly reported to the Certified Athletic Trainer.

I/We voluntarily and without reservation agree, for myself/ourselves, the Student, and our heirs and personal representatives, to **ASSUME ALL RISK** for any such personal injury, loss of life, or other loss and **RELEASE, HOLD HARMLESS and INDEMNIFY** JCS and its directors, officers, employees, and agents from and against any present or future liability, claims, demands, and causes of action arising out of or related to any personal injury, loss of life, or other loss sustained as a result of the Student's participation in the Athletic Program.

I/We acknowledge that I/we have carefully read, understand, and agree to be bound by the above.
