Volunteer Opportunities

Join Special Olympics Maryland and celebrate a tradition of inclusion at the 2019 Summer Games. We offer plenty of opportunities to get yourself, your friends, or your coworkers involved with an incredible mission and make memories to last a lifetime. Volunteer and cheer on our 1,500 Special Olympics Maryland athletes and Unified Partners competing in five different sports (Athletics, Bocce, Cheerleading, Softball, and Swimming) at the 2019 Summer Games. Whether you are looking for a one-time experience, a group volunteer opportunity, or something more consistent and long-term, Special Olympics Maryland will provide a fulfilling experience for all involved!
